Rotisserie Countertop electric

MODEL **SCR-6** six-spit

Countertop 6-spit rotisserie, model SCR-6

General Information

Henny Penny rotisseries are known for turning out full loads of consistently delicious rotisserie items day after day, all day long.

What makes Henny Penny different? You'll get *more* of those delicious whole birds, ribs, pork roasts and other center-of-the plate items every day because the Henny Penny rotisserie simply cooks faster. Patented THERMA-VEC® Even Heat Process combines cross-flow convection cooking with radiant heat. The result is thorough, even cooking with uniform browning in a lot less time than other rotisseries.

The single cabinet SCR-6 six-spit countertop rotisserie saves on floor space while cooking a hefty 24 whole birds in a single load. With nine individual cooking programs available you also have the ability to

cook a wide range of menu items at the touch of a button. What's more, the sophisticated yet easy-to-use controls let you choose the level of browning you want! Now you can give seasoned and marinated meats, fish and poultry just the right color and crispness that brings customers back for more.

Henny Penny offers a host of accessories including mobile loading stands, product display units, and merchandising bases that increase your productivity and help you sell more. Spits, rotor disks, drive tube and drip trays are easily removed for cleaning and are available with coated surface.

Standard Features

- High quality stainless steel construction, exterior and interior.
- THERMA-VEC® Even Heat Process cooks full loads quickly and evenly:
 - Gentle, cross-flow convection for even cooking throughout the cabinet.
 - Radiant heat for uniform browning and crisp texture.
- Digital electronic controls with 9 programmable cook cycles.
- Programmable browning and texture control.
- Large LED display for simultaneous time and temperature.
- Food temperature probe.
- Spit rotation switch for easy loading.

- Tempered clear glass doors with black matrix shaded borders.
- Auto-stop rotation when doors open.
- Interchangeable spits, racks and baskets.
- Simple three-piece drive tube and rotor assembly.
- Drive assembly, drip trays and drain pans are easily disassembled for quick cleanup.
- Easy-to-clean coated parts available for additional charge.
